Dear Colleagues,

It gives us Immense Pleasure to Invite You to the **MCNS 2026** in the Holy City of Nashik.

Situated on the banks of Godavari and surrounded by Sahyadris, Nashik was once the Divine abode of Lord Rama himself!

The Theme for this Conference is **“Sharing Experience, Striving For Excellence – In Neurosurgery”**. We are arranging a host of Scientific activities viz. Orations, Symposia, Panel Discussions, Cadaveric Workshops and of course Cultural Events.

Steeped in mythology, Nashik bears relics of Ramayan era like Panchavati, Ramkund, Sitagufa, Kalaram Temple and many more. Close to Nashik Temple towns like Trimbakeshwar, Shirdi, Saptashrungi, and Shanishingnapur add to the Religious appeal of Nashik. The City incidentally is also hosting “Kumbh Mela” – A 12 yr cyclical Event in late 2026-27

Over the Last Few decades Nashik has Transformed Into an Industrial Hotspot hosting bigwigs like Mahindra, Bosch, Hindustan Aeronautics (HAL) and the Currency Note Press. Home to 27 Vineyards led by the Sula, Nashik is aptly called the “Wine Capital” of Bharat.
